POST OF SPECIAL OFFICER, ANTI-CORRUPTION MEASURES.

General and Revenue Secretariat | File No. of 194

Serial No.

7. One of the recommendations of the Anti-Corruption Measures Investigation Committee was the appointment of a Special Officer for Efficiency Audit and Anti-Corruption Measures for a period of five years in the first instance. Each of the two Branches, viz. "Efficiency Audit" and "Anti-Corruption" was to be under an officer of pay and status not below those of a Deputy Commissioner, with adequate staff. The duties of the Anti-Corruption Branch was to detect and investigate specific cases of corruption in all departments and to keep a close watch over Government servants.

8. In G.O. No.52-112/C.B.~~&~~ 29-46-1, dated 4th July 1946, Government approved of the setting up of a separat agency to be in charge of a system of Efficiency Audit and of Anti-Corruption Measures, and sanctioned the appointment of a Special Officer with the designation "Director, Efficiency Audit". The first officer to hold this appointment was Sri J. Appaji Gowda.

9. The Anti-corruption Measures Investigation Committee had suggested, apropos of their recommendation in regard to the creation of an office of Special Officer for Efficiency Audit and Anti-corruption Measures, that the Deputy of the Special Officer on the Anti-corruption side "should have special detective abilities and necessary equipment for purposes of detection and investigation of cases of corruption". As Director of Efficiency Audit, Sri J. Appaji Gowda suggested the appointment of a fairly senior and experienced officer of the status of a Deputy Inspector-General of Police as Deputy Director, Efficiency Audit (Anti-corruption). Government accepted this recommendation and Sri C.I. Machia, ~~xxx~~ Senior Superintendent of Police was accordingly appointed "Special Officer for Anti-Corruption Measures". Sri Machia was first appointed in the grade pay of Rs.600-50/2-800 with a duty allowance of Rs.100

"A"

"A"

Note.—Contn. Sheet

per mensem. This grade pay was revised to Rs.800-25-900 a year later. C.B. ~~xx~~ collection No.156-47-1 bearing on the matter is put up. "C"

10. Meanwhile, on the appointment of Sri J. Appaji Gowda as a Minister, the post of "Director, Efficiency Audit" which he held was not filled up, and the work of the Efficiency Audit and Anti-corruption Sections was transferred to the direct charge of a Minister. This arrangement is continuing at present. "T"

11. As per G.O. No.116/C.B.22-48-1, dated 10th July 1948, Sri K. Henjarappa is appointed Special Officer, Anti-corruption Measures, in the vacancy released by the loan of the services of Sri C.I. Machia to the Government of India on a salary of Rs.1,000 during the period he holds the appointment. According to the conditions of service of Sri C.I. Machia as Chief Coffee Marketing Officer, his appointment will be for a period of two years subject to the Central Government's right to replace services at any time and for public reasons with the Government of Mysore. "W"

12. As regards the confirmation of Sri Henjarappa as Special Officer, Anti-corruption Measures, the main point for consideration and orders appears to be whether this special appointment is to be regarded as permanent or temporary. The Government Order referred to above relating to the creation of the post of "Director, Efficiency Audit" does not specify any term of years for which it is to last, although the Anti-corruption Measures Investigation Committee recommanded the creation of the post for a period of five years in the first instance. In any case, having regard to the nature of work of these special appointments, perhaps they are to be regarded as temporary features of the administration. In this view, if the whole organization relating to Efficiency Audit and Anti-Corruption is to be regarded as a temporary

Serial No.

one, there does not appear to be any scope for confirming Sri Henjarappa in his present appointment.

13. In this connection, a suggestion made by the Financial Secretary in C.B. File No.450-48-1 on para 16 of the notes for considering the possibility of having only one officer for both the Efficiency Audit and Anti-corruption Sections, as a measure of economy, may be worth consideration in the interest of ~~consideration~~. The post of Special Officer, Efficiency Audit, is now held by an officer of the status of a Deputy Commissioner (Sri D.K. Srinivasachar).

14. Although the officers in charge of these two sections were to be of a status not less than that of a Deputy Commissioner, they have, as a matter of fact, been held by officers of varying rank, pay and status.

15. As regards Sri H. Hombe Gowda, he has been appointed to act as Public Service Commissioner vice Sri B.S. Puttuswamy on other duty. Sri Puttuswamy has continued to be on other duty since then, and he is now included in the cadre of District Judges in a permanent appointment. In the circumstances the post of Public Service Commissioner would appear to be substantively vacant.

"P"

16. In this connection a copy of G.O. No.3685-3735/C.B. 103-39-1, dated 19th January 1940 sanctioning the appointment of a Public Service Commissioner for Mysore is put up for reference. It is not clear from this order whether the appointment is to be regarded as permanent or temporary. According to the Final Note in C.B. collection No.76 of 42-43, the post of Public Service Commissioner is meant, in due course, to be absorbed in the Public Service Commission if such a Commission is finally decided upon. In view of this contingency, the post of Public Service Commissioner cannot perhaps be regarded as permanent at present. The question of the confirmation of Sri Hombe Gowda in this appointment could perhaps be decided

"X"

Serial No.

only after the question of a Public Service Commission is finally decided upon.

17. The question whether these special appointments viz., Special Officer, Anti-Corruption Measures and Public Service Commissioner should be included in the cadre of Deputy Commissioner in order to provide substantive appointments to the officers holding them at present or remain otherwise is for consideration and orders.

14.4.49

18. The G.O No. 52-112/CP 29-46-1 dated 4th July 1946, sanctioning the post of Director, Efficiency Audit does not specify the term of years for which the appointment is sanctioned, although the Anti-corruption Investigation Committee recommended the creation of the post for a period of five years in the first instance. The same being applies to the appointment of the Spl officer Anti-Corruption Measures Having regard to the nature of duties attached to this appointment it has perhaps to be regarded as a temporary one. There does not, therefore, appear to be any scope for confirming Sri Hanjarappa in his present appointment

O "

19. Though the Anti-corruption Measures Investigation Committee recommended that the Efficiency

Serial No.

Efficiency Audit Branch and the Anti-Corruption Branch was to be under an officer of status not less than that of a Dy comr they have, as a matter of fact, been held by officers of varying rank, pay and status

2. The appointment of the Public Service Comr was sanctioned in fo. no. 3685-3735/CB 103-39-1 dated 19.1.40. It is also not clear from this order whether the appointment is to be regarded as permanent or temporary. In para 3 of the Final Note dated nil regarding the appointment of Sri B. S. Puttaswamy as Public Service comr it is stated that he will in due course be absorbed in the Public Service Commission, if the creation of such a commission is finally decided upon. The post of Public Service comr cannot perhaps be regarded as permanent at present. So Sri Hanke Gowda cannot perhaps be confirmed as Public Service comr as matters stand at present.

21. The question of inclusion of the posts of the Spl. officer, Anti-Corruption and the Public Service Comr in the cadre of Dy. comrs, is a matter for special consideration

Now that the question has arisen it may be decided whether these two appointments should be included in the D.C cadre or remain outside it.

CIRCULATION NOTE.

SUBJECT:- Inclusion of the appointments of the Special Officer, Anti-Corruption and the Public Service Commissioner in the cadre of the Deputy Commissioners.

The Minister for Finance and Industries made the following minute regarding the appointments of the Special Officer, Anti-Corruption and the Public Service Commissioner:-

> Sri K.Hanumanthappa, Anti-Corruption Officer. Is there any need for confirming him in his appointment?
>
> Where should he find his place - among the Deputy Commissioners or otherwise?
>
> What is the position of Sri Hombe Gowda?

The Anti-Corruption Measures Investigation Committee recommended the appointment of a Special Officer for Efficiency Audit and Anti-Corruption Measures for a period of five years in the first instance. But the Government Order dated 6/7/1946 sanctioning the appointment of Director, Efficiency Audit, does not specify the term of years for which the appointment is sanctioned.

Same is the case regarding the appointment of the Special Officer, Anti-Corruption Measures. Though the Anti-Corruption Measures Investigation Committee recommended that the Efficiency Audit Branch and the Anti-Corruption Branch were to be under the officer of a status not less than that of a Deputy Commissioner, they have been held by Officers of varying rank, pay and status.

Hanumanthappa was appointed Special Officer, Anti-Corruption Measures in Government Order dated 10th July 1948 in the vacancy released by the loan of the services of Sri C.I.Machia to the Government of India. Having regard to the nature of the duties attached to the appointment of the Special Officer, Anti-Corruption Measures, it has perhaps to be regarded as a temporary appointment. There does not, therefore appear to be any scope for confirming Sri Hanumanthappa in his present appointment.

The appointment of the Public Service Commissioner was sanctioned in Government Order dated 1/1/1940. It is not clear from this order whether the appointment is to be regarded as

permanent or temporary. When Sri L.S.Puttaswamy was appointed Public Service Commissioner, it was recorded that he will in due course be absorbed in the Public Service Commission. If the creation of such a commission is finally decided upon. Therefore, the post of the Public Service

permanent at present. In the circumstances Sri Gowda cannot perhaps be confirmed as Public Service Commissioner as matters stand at present

The question of inclusion of the posts of the Special Officer, Anti-Corruption and the Public Service Commissioner in the cadre of the Deputy Commissioners has been raised by the Hon'ble Minister for Finance. These two officers cannot be put in the cadre of Deputy Commissioners as they have not had the back ground training and experience of Deputy Commissioners who start service as Amildars or as Assistant Commissioners and by the time they become Deputy Commissioners would have served in various Departments and gained all round experience/at least a minimum of 12 to 14 years. There is no instance so far in the history of the Mysore Civil Service of such a course having been adopted. Direct recruitment at this stage would lead to a good deal of dissatisfaction.

The file was has been perused by the Minister for Public Health, the Minister for Finance Revenue and P[illegible] and the Chief Minister. The Minister for Finance and Industries has further minuted as follows:

> The question arose because it was a point for consideration whether Sri K. Honjarappa had to be confirmed in his place. I thought there was no need for confirmation because he was not appointed on an acting jot. I wanted to know whether Sri Hombe Gowda was confirmed in his appointment after a year. Now that the question has arisen it may be decided whether these two appointments should be included in the Deputy Commissioners cadre or remain outside it."

The Dewan has ordered that the matter may be discussed at a meeting of the Council.

Sd/- R. Ramakrishnama
Chief Secretary to Government

32 Sri H.Hombe Gowda was appointed as Public Service Commissioner in February 1947 on a pay of Rs.1,000/- p.m. and he was been holding this post since then. With the constitution of the Public Service Commission, the appointment of Public Service Commissioner will cease and a place may have to be found for Sri Hombe Gowda.

33 Sri K.Henjarappa entered service in July 1948 as Special Officer, Anti-corruption on a pay of Rs.1,000/- p.m. The work relating to the Efficiency Audit has since been entrusted to him and he has been designated as Director of Efficiency Audit and Anti-corruption.

34 The question of including the names of these two Officers in the cadre of Deputy Commissioners has been ordered to be considered at a meeting of Council. It may, in this connection, be stated that all along, recruitment to the Civil Service has been only to the cadre of Assistant Commissioners and the appointments in the cadre of Deputy Commissioners are being filled up by promoting Officers who are in the cadre of Senior Assistant Commissioners. There has not been a single case of an Officer belonging to a Department other than Revenue, having been appointed as a Deputy Commissioner nor has there been direct recruitment at any other than the lowest level. Because, they will not have the back ground, training and experience of Deputy Commissioners who start service as Amildars or as Assistant Commissioners, nor will they have had the opportunity of having served in various Departments and gained alround experience. Direct recruitment to the grade of Deputy Commissioners would not only

NOTE—Contn. Sheet.

Serial No.

not only lead to a good deal of dissatisfaction, but would also render such Officers not quite fit to man the posts usually manned by Officers who have been recruited as Assistant Commissioners.

35 In case no other place could be found for Sri Hombe Gowda. he has perhaps to be absorbed in the cadre of Deputy Commissioners If this is inevitable, as he is drawing a pay of Rs.1,000/- he may have to be given a rank among the Deputy Commissioners II Class and placed below the last acting Deputy Commissioner II Class. Sri N.Puttarangaswamy is now acting as Deputy Commissioner, II Class and Sri Hombe Gowda may perhaps be placed below Sri Puttarangaswamy in the cadre of Deputy Commissioners, II Class. The strength of the Deputy Commissioners' cadre has also to be temporarily increased by one, in the II Class, to take him in

36 As regards Sri Henjarappa, he is at present holding the post of Director of Efficiency Audit and Anti-Corruption. The Government Order dated 4-7-1946, sanctioning the post of Director, Efficiency Audit, does not specify the period for which the appointment is sanctioned, although the Anti-corruption Investigation Committee recommended that the post may be for a period of 5 years in the first instance. The duties attached to this post may perhaps require an Officer on a permanent basis to watch the Efficiency Audit and Anti-Corruption.

37 The Director may have to carry on dealings with the Deputy Commissioners and Heads of Departments. One

of the

WD 67558—GPB—1,000—28-1-50

recommendations of the
of the/Anti-Corruption Measures Investigation Committee was the appointment of a Special Officer for Efficiency Audit and Anti-Corruption Measures. Each of the two Branches, Viz., "Efficiency Audit" and "Anti-Corruption" was to be under an Officer of pay and status not below those of a Deputy Commissioner. If this Officer is also to be taken on permanently to Government Service, it appears necessary to improve the emoluments of the Director of Efficiency Audit and Anti-corruption. The pay of this Officer may perhaps be fixed at Rs.1000-50-1,200, which is same as that of some Heads of Departments and the maximum pay is equal to that of a Deputy Commissioner, I Class, with the concurrence of the Finance Department. This post need not be included among the cadre of Deputy Commissioners, but may be a separate appointment.

38 It has been noted elsewhere that the Efficiency Audit work atleast needs to be entrusted to an Officer who has had a varied experience in all Departments of Government and who has mature experience, etc. It is also for consideration, whether this branch of work should continue with the present Officer or be entrusted to another Officer

39 These are Council matters.
